

Kenko

Kenko develops at-home sports equipment with a minimalist and natural design. High-quality, natural materials such as wood and cork serve as the basis for the geometric shapes of its sculptural objects, making for beautiful items that fit perfectly into the interior.

WORK IT

Keep your **squats** low and your standards high: skip the dull *workout* equipment and score with these **AESTHETICALLY** pleasing pieces of art.

1. Wooden yoga block, *Jacques x Vincent Van Duysen*. 2. Foldable canoe, *Onak*. 3. Dumbbell sculptures, *Work In Use*. 4. Roomservice workout, *Pent Fitness*. 5. The ultimate waterski shirt, *Hotel Magique*. 6. Exercise weight, *Bala Bangles*. 7. Self-inflating bike helmet, *Hölding*.
